

## **Photography Mentoring Checklist**

Are you ready for a Photography Mentor

- □ I am open to receiving feedback and coaching
- □ I take responsibility for my own professional growth and development
- □ I seek challenges and new responsibilities
- □ I will keep commitments agreed to with your mentor
- □ I will renegotiate the mentoring relationship when your personal or professional needs change
- □ I am committed to developing my talent, even though I may not yet know exactly where it lies
- □ I have the desire to achieve personal growth and professional goals
- □ I appreciate and am open to different perspectives
- $\Box$  I am willing to share time with a mentor
- □ I have the ability to receive constructive and honest feedback
- $\Box$  I have respect for confidences and intellectual property rights
- $\Box$  I am accessible and positive
- $\Box$  I have the willingness to try out different things
- $\Box$  I will have faith in what my mentor has designed for me
- □ I have the ability to take creative risks (demonstrated by, for example, a record of seeking challenging assignments and new responsibilities)
- □ I have initiative and independence (demonstrated by a history of taking responsibility for your own growth and development
- $\Box$  I have the willingness to work and can take direction
- □ I have good organisational skills

1

- □ I have a good sense of self and my personal capabilities
- □ I accept that my mentor is not there to pick up my work and finish a project for me
- □ I have some photography experience and lots of passion (not just formal training)
